Experience Italy in a Wine glass

Barolo Ludo DOCG

A selection of grapes from three estate-owned vineyards are blended for a “wine of great class.” It features the power of Bussia, the elegance of Cannubi and the balance of Terlo and has a lovely full body, inviting aromas of fruit and spice that enhance the already lovely finish. A modern, cellarable wine that is versatile and accessible to the most sophisticated palates. Ludo (the nickname of one of Matteo’s children) comes from the Latin word *ludus*, which means “to play.” It is also the name of a board game, which inspired the design of the wine's label, having maintained the color and shape of the original game (In the US, it is Parcheesi).
