Barolo "Pernanno" DOCG

Pernanno comes from a single Nebbiolo vineyard - only 2 hectares/about 5 acres - of the same name in Castiglione Falletto. Its southeastern exposure is perfectly suitable to the Nebbiolo variety. The grapes are harvested in the fall and after very careful selection and vinification, the wine ages in French oak barrique, some new, some used (the percentage of new and used barrique depends on the wine's analysis after fermentation). It is raised for at least twenty-four months in oak and twelve months in bottle. Unclarified and unfiltered.

Wine exported to: Canada, Puerto Rico, Singapore
