## Chianti DOCG

Neil and Maria Empson created this label to pay tribute to all things Tuscan, honoring the extraordinary region even in its name, which means Tuscan boy in the local dialect. Franco Bernabei styles the wine, along with Neil, using grapes from the finest vineyards in the region. The soil and microclimates are intriguingly diverse – from compact, very fine-textured limestone at approx. 400-450 meters (1,310 to 1,480 feet) above sea level, to rocky, calcareous clay areas with similar altitudes; and even clayey/siliceous/ calcareous soil at 250-300 meters (820-984 feet) above sea level. Neil is thus able to handpick the best selections according to harvest conditions in the individual vineyards, maintaining consistent quality with each vintage. A lively little gem naturally made from Sangiovese grown in Tuscany. The grapes macerate for a couple of weeks, with daily pumpovers before aging in oak barrels for six months. A consistent choice with great balance, body and intensity, with classic aromas of violets, berries and iris and a soft, round, well-balanced. An all-around wine, easily paired with a wide range of dishes.
