Cignale Colli della Toscana Centrale IGT

Cignale was created in 1980, when Neil and Maria Empson decided to make their own Super Tuscan along with Alessandro “Sandro” François and his wife, Antonietta, who own a historic estate in northeastern Chianti Classico – one of the region’s finest sites, in Greve in Chianti. A blend of mostly Cabernet Sauvignon, with a touch of Merlot from vineyards located at an altitude of 490-520 meters (1,610-1,710 feet) above sea level, with south/southeastern exposure. Maceration on the skins lasts 20 days at 28 °C (82.4 °F). The wine ages in barrique for 20-24 months, followed by at least six months in bottle. The name comes from an unfortunate mishap – just before one of the very first harvests, the entire crop was wiped out by wild boars. A legendary event for the team, the wine was named Cignale, which means wild boar in the Tuscan dialect. Maria Gemma Empson designed the label. Cignale enjoys a long cellar life, even up to 20 years.
