

EMPSON & CO.
Experience Italy in a Wine glass

Faro DOC

55% Nerello Mascalese, 25% Nerello Cappuccio, 10% Nocera, and 10% Nero d'Avola. Dark ruby red with orange hues, the wine has an intense, elegant and ample nose boasting notes of ripe red berries and blueberries, Mediterranean shrub, and spicy notes like nutmeg and pepper. Well-balanced on the palate with firm tannins, a round, rich fruity flavor, and an elegant finale. Faro DOC officially became an appellation in 1976, but was documented in several historical sources as being made as far as back as the Greek colonization of Sicily. It has been mentioned many times over in historic writings, which wax poetic about the high quality. It then disappeared after WWII only to be revived in the 1990s. And in recent times, we've truly seen its total rebirth, with winemakers like Gianfranco Sabbatino leading the way with his well-respected interpretation.

"Le Casematte is deeply rooted in the territory and its history but also values the needs of contemporary wine production."
