

Nero d'Avola Sicilia DOC

100% Nero d'Avola. Intense ruby red tending towards garnet, this Nero d'Avola has a vast array of fruity aromas with notes of ripe plum. The flavor is mouth-filling and warm with fragrant grapey notes and good acidity. Nero d'Avola is one of the most widely grown grapes in the whole of Sicily and is often compared to Shiraz from other nations. This "black" grape thrives in the blistering Sicilian sun and is juicy, crisp, fruity and fragrant. A warm and full-bodied wine, Le Casematte's version is grown in vineyards in Butera, Sicily.

"Le Casematte is deeply rooted in the territory and its history but also values the needs of contemporary wine production."
