

Nero d'Avola Terre Siciliane IGT

Nero d'Avola feels right at home in the unique and incredible uncontaminated soils of its native Sicily. Abundant water reserves, even in the hot summer months, sunshine and silence make for the perfect environment for cultivating perfectly healthy grapes. Nights are pleasantly cool, providing the grapes with depth and fragrance that go straight into the wine, also thanks to gentle soft pressing and an all-stainless steel élevage that maintain the wine's freshness and aromas.
