Experience Italy in a Wine glass

Ribolla Gialla Venezia Giulia IGT

After being carefully harvested exclusively by hand, the grapes are soft-pressed whole. They are then cold-decanted and fermented in stainless steel tanks and then aged in stainless steel. Delicate, with notes of fresh citrus and spring flowers. A classic aperitif wine in northeastern Italy, it is also excellent alongside oysters and other seafood.

Wine exported to: Canada, USA, Japan, Australia, Austria
